CHINWE ZOE

Nigerian gospel singer and songwriter

Jesus DON WIN

The new song, out now

HER STORY

Chinwe Zoe is a Nigerian gospel singer and songwriter, and she also works as a businesswoman. A near-death experience changed the direction of her life.

At the end of 2025 Frank Edwards brought her into the studio. Her first single, Chinwendum, features him, and its title means God leads me. Undeniable followed, with an official video on her YouTube channel. Jesus Don Win, produced by Masterkraft, is her newest song.

She puts out her music through her own label, H2 Records, Heavenly Harmonies, and ONErpm distributes it. You can hear it on Spotify, Apple Music, Audiomack and YouTube. When she talks about the singers who shaped her, she names CeCe Winans, Nathaniel Bassey and Dunsin Oyekan.

In 2026 she sang at the Virtuous Women Network conference, and she is open to bookings.

"PASSIONATE ABOUT SOUL WINNING."
